From: [ ]

Further to my memorandum of October 16th, 1950, on the political situation in respect of the NCFA, [ ] has telegraphed the following brief comments on some of the characters involved in the imbroglio. The original source is again GOGA.

VERLACI. No supporters in NCFA. Apart from his Fascist leanings he would not be content with any position on Committee other than Chairman.

XHAFTER DEVA. He realises he will not be asked to join Committee. His line at present is to campaign in Syria, Turkey and Egypt for an independant KOSSAVAR party and at last minute present himself to NCFA as only tru representative of KOSSAVAR.

KOL BIB MIRAKAJ. Has no wish to join Committee, still self declared Fascist and lives at Vatican. In Monastery in Frascati. Would only involve himself in emigre movements at KUPI's invitation.

ERNST KOLIQL. Most trusted by Italians of all Albanian emigres. No supporters in NCFA. Intelligence with western outlook compromises.

KLISSURA. Intriguer always enthusiastic towards newest cause. Wind-bag. Member of Bey land-owner class whose days are over even from Legalitet point of view.

NURREDIN VLORA. Very autocratic and unable stand argument in Committee. Very influential in VALONA area, land-owner Bey, social but not political friend of KUPI.

KOKO MUKA. Orthodox Christian but Greeko phobe. Not intelligent and mistrusted in Albania for his notional handling of Greeko phile orthodox element.

HALIM BEGEJA. Young and enthusiastic limited intelligence but not set in his ways and capable of future education. Best of bunch from Legalitet point of view.
